Horizontal drain style

Vertical drain style

02 Advantages

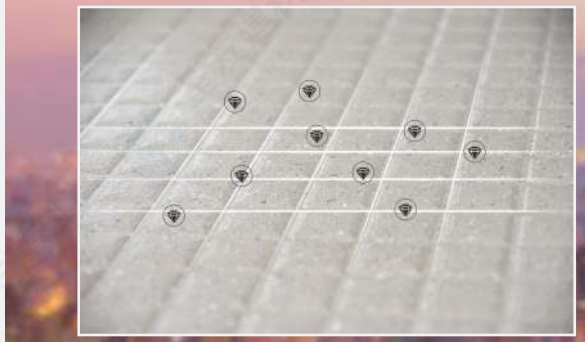

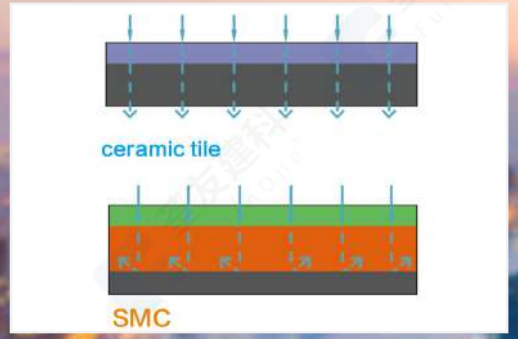

- High-tec Material_aerial resin SMC
- One-piece Floor
- Whirlpool Drain
- Installation
- Packing&Shipment

Advantages

High-tec material_ **aerial resin SMC**

- Molded with a high temperature by one-step
- High hardness， Wear-resistance
- Heat insulation， Heat preservation
- Easy to clean
- Safety
- Long service life
- Energy saving and low carbon

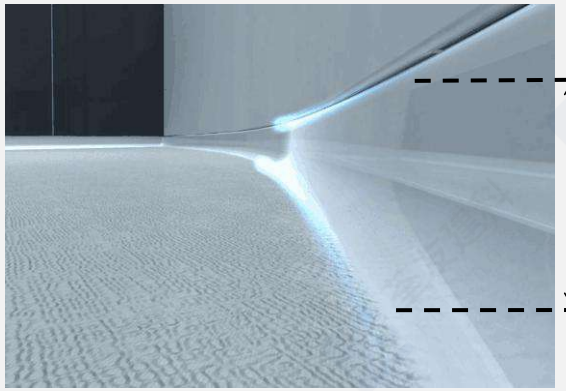

Advantages

One-piece Floor

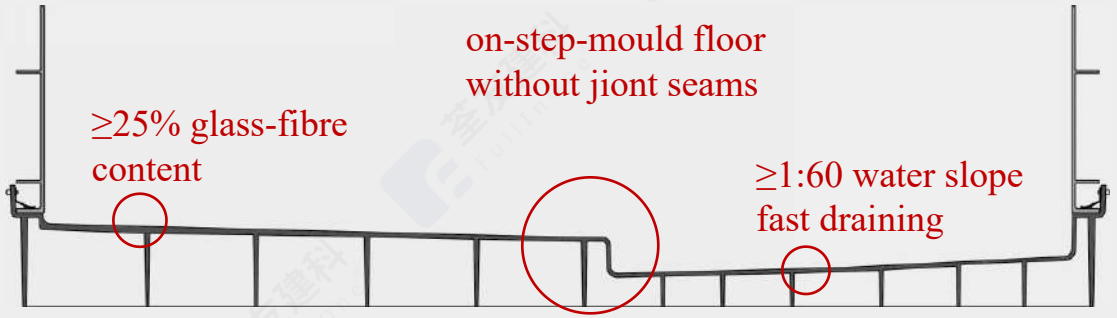

Easy clean skirting.

≥1:60 Self-equipped water-slope.

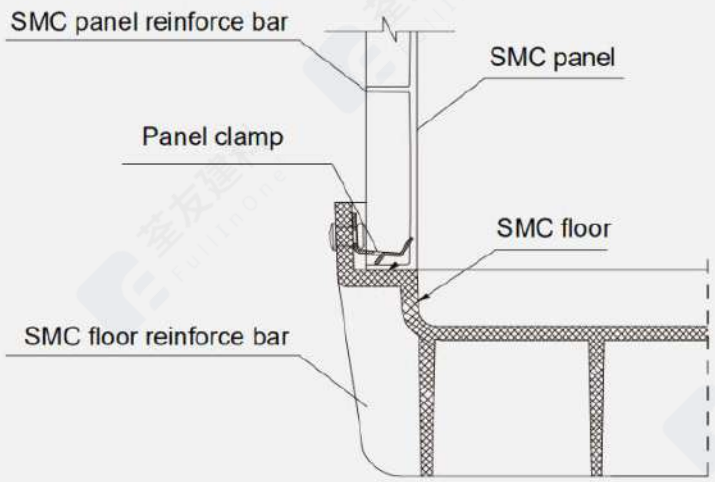

Advantages

One-piece Floor_ Waterproof Structure

Diagram for panels and floor

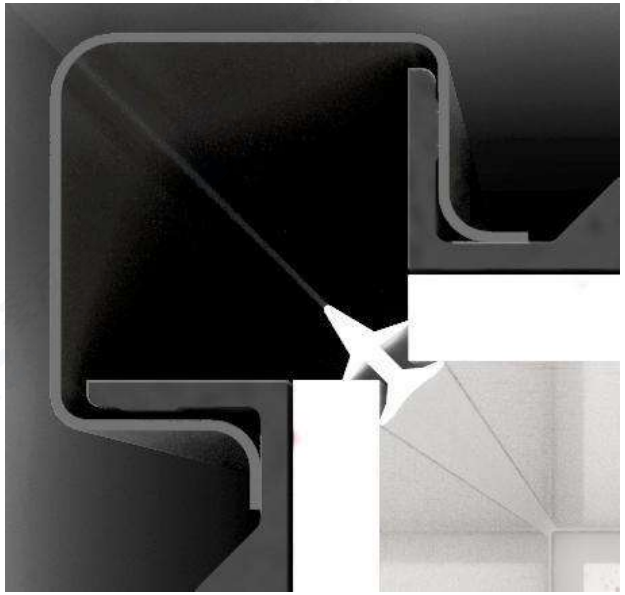

One piece floor

Absolute waterproof performance.

Inverted rubber seal between walls

Avoid leakage of water.

Advantages

Whirlpool drain

- Anti blocking
- Prevent odor

With 50-70mm drain water seal, it prevents the smelly from the sewage pipes.
Prevent odor and keep the air fresh.

Advantages

Installation

- 4 hours of installation
- No leakage
- Strong and durable
- Inhibition of returned odor
- Effectively anti blocking
- Convenient cleaning
- Dry construction

Advantages

Packing&Shipment

➢ 40HC-Assembled

➢ 40HC-Flat Packing
